

Go ahead... *Be An Artist*

EDGE DIGITAL CUTTER

The Artistic Edge offers an endless amount of options for every type of crafter. The included *Artistic Simple Cut* Software goes well beyond basic editing and offers over 3500 free designs, while others can be imported. Scrapbookers will love the ability to create custom shapes and text, while quilters will revel in the ease of quickly cutting intricate appliqué designs. Create custom crystal fills, cut vinyl, make unique artwork, greeting cards and more!
